SATURDAY EVENING, JUNE 20: 7:00 PM

Our Musical Heritage

Justin Yoder leads a guided worship service exploring music in the history of Plains Mennonite congregational life. We will experience the ever changing musical forms and traditions and explore the purposes behind the musical developments and restrictions that have occurred in the congregation. A community choir made up of Plains attendees and others from our local faith communities will play a significant role in the service. The event blends a special musical presentation with congregational singing and worship.
